Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

The frame house is a one and one-half story, five-bay by two-bay structure with a full front porch extending from the gable roof. The main facade has a central entrance with two bays on each side containing six-over-six windows. The house is on a concrete block foundation and has an asphalt shingle roof. It is covered in wood siding painted white.

The property is located on the east side of Rt. 65, .18 of a mile south of the intersection with I-70. It is situated in a group of houses on  $\frac{1}{4}$  to  $\frac{1}{2}$  acre lots built from the mid-20th century to the present time.

The main facade of this frame house is marked by a porch supported on four posts that extend at an angle from the main gable roof to cover the rear section. The main entrance is centrally located with two windows on either side. There is a two-section window and a shed roof dormer on the front of the house. The northernmost gable end contains two windows on the first floor and a small four-pane window in the attic story. The southernmost gable end has a projecting gable roofed bay with two windows and a square brick flue.

There is no significant outbuildings on the property.
